

## Ballymore Introduces Our New Lock-N-Stock Folding Ladder

Tired of watching light duty step ladders fall apart? Does the term “Rickety” come to mind when you think of your current step ladder? Try **Ballymore’s** new Lock-N-Stock Folding ladder - 58 degree slope with 7” deep steps for easy climbing, welded steel construction rated to 350 lbs.

Lock the stair section in place and Climb it – Roll it – Fold it – Store it

- Welded construction
- No hinge to break
- Heavy duty: Rated for 350 pounds
- Easy to maneuver in the open or closed positions
- Locks in the folded or climbing positions
- Approximately 10” deep when folded for easy storage
- Built to ANSI 14.2 standards
